Magazines or other collage ephemera

### Take It Further:

A journal

Pens

Pencils

Crayons

Markers

Colored Pencils

Watercolor paints

Other paints (poster, tempera, acrylic, craft)

Brushes

Rags to wipe things

Scissors

Glue, glue stick or tape

Magazines, newspapers, junk mail and other ephemera

With your art supplies, think more children's art supplies than grown-up or artist art supplies.

This is not an art class. Here we value process over product.

It is more important to let loose that inner child and that inner glee than it is to produce a "beautiful piece of art".

Scribbling, doodling and stick figures are highly encouraged and hugely embraced.
